NAVCOMPT INSTRUCTION 1741.1A

From: Comptroller of the Navy

Subj: Annual Report on Servicemen's Group Life Insurance

1. Purpose. This instruction provides for the annual reporting of the number of Navy and Marine Corps military personnel covered by Servicemen's Group Life Insurance and implements a request from the Veterans Administration to the Department of Defense which was referred to the Office of the Comptroller of the Navy. This reissuance is necessary due to an act of Congress in 1970 which extended coverage to \$15,000.
2. Cancellation. NAVCOMPT Instruction 1741.1 of 3 May 1968, same subject, is superseded.
3. Background. This instruction provides for reporting of data to the Office of the Comptroller of the Navy (Statistics and Reports Branch (NCB-22)) for inclusion in a report for the Veterans Administration which, in turn, makes an annual report to the Congress on the Servicemen's Group Life Insurance Program.
4. Action. Action addressees will submit annually to NAVCOMPT (NCB-22) the following information on military personnel covered under the Servicemen's Group Life Insurance Program.
 - a. The number of servicemen covered for \$15,000.
 - b. The number of servicemen covered for \$10,000.
 - c. The number of servicemen covered for \$5,000.

The military personnel within the scope of this reporting requirement include active duty military personnel and those Reserves undergoing Active Duty Basic Training (Pay Group F).

5. Additional instructions

- a. Data will be as of 31 December each year.
- b. In view of the long lead time in obtaining actual data, the previous year's actual data may be used as a representative sample for application against the current year's personnel strength in preparation of estimated data for compliance with this reporting requirement.
